

COVID-19 PROTOCOL

For the office of Ronald A. Nakano DDS

1

Arriving to the Office

Wait in vehicle and call office: **(408) 248-0168**. We will advise you when to come in.

Inside the Office

Please wear a mask and use hand sanitizer. Temperature will be taken. Screening questions will be asked.

2

3

While Inside

Social distancing and new enhanced disinfectant protocols will be performed frequently.

Treatment Room

Take off mask. Pre-rinse with 1.5% hydrogen peroxide for two 30-second rinses. BP/medical dental history reviewed.

4

5

End of Treatment

Please wear your mask. You will be escorted to the reception desk.

Leaving the Office

Use hand sanitizer or soap in the restroom. Soap dispenser will light up for 20-seconds so please continue to wash hands until the light goes off. We will escort you out by the reception desk.
